FLEES BACK TO ZION CITY

Stood It Two Weeks at Beautiful Ben MacDhul—His Parting Words to Muskegon Reporters Smell of Brimstone.

Muskegon, Mich., July 12.—John Alexander Dowie, with a host of retainers, passed through Muskegon last night, enroute to Chicago and Zion City.

He had been domiciled at his White Lake resort, known as Beautiful Ben MacDhul, for two weeks, but "pesky

mosquitoes" have become so unbearable that Zion City, even if wafts of Chicago smoke do float out that way, is more agreeable to him.

The head of Dowieism, in an interview last night, took a slam at reporters in general by saying: "All liars have their part in the lake that burneth with everlasting fire and brimstone."

Dowie Pays All Debts.

Chicago, July 12.—John Alexander Dowie Tuesday had all bankruptcy proceedings against him dismissed in the United States district court by Judge S. H. Bethea. The petition in bankruptcy originally made by the H. B. Smith Machine Co., was annulled upon the recommendation of referee in bankruptcy Sidney C. Eastman. The machine company had failed to comply with the court's order to file an amended petition. As none of the other petitioning creditors have complied with the court's order to amend all petitions were declared to be no longer in force. According to Dowie's attorneys all of the claims mentioned in the original petition, amounting to something like \$400,000 have been substantially paid off with interest.

of Ague and Malaria, can be relieved and cured with Electric Bitters. CIRCUS DAY

The Great Adam Forepaugh and Sells Brothers' Shows are Coming Soon.

The circus is one of the big things of America that has made the traveling observer pause and think. The marvelous system which achieves the building of a well ordered village with a population of 1200 in the hours of early dawn each day and packs up and re-establishes itself miles away for the next breakfast, has attracted the serious study of military chiefs and other leaders of great bodies of men, and huge business institutions. It is this marvellous management that draws multitudes of people to the train yards to witness the unloading of the Great Adam Forepaugh and Sells Brothers' Enormous Shows. The great caravans are unloaded with dispatch, and the circus man and animal upon whom devolves the burdens incident to placing the tremendous equipment upon the slow but glide gently and efficiently into the place allotted for individual duty. It takes four special trains to carry the Forepaugh and Sells colony from town to town. Everything must be sped and sped for the daily parade, starting from the circus grounds at 10 o'clock. The several hundred horses that take part in this big spectacle are freshly groomed every morning, and the thousand or more men, women and children are alert and contented looking in the gorgeous pageant. The street display of the Great Adam Forepaugh and Sells Brothers' Shows rises above all other efforts of the kind for fascinating detail, magnificent display and extraordinary length. Most circus parades are firing affairs because of the unkempt expression of people and things. The horses are apt to be slow-moving and worn, and the people, as a rule, strongly suggest the idea of strenuous times. At last, thanks to the able management of Forepaugh-Sells Brothers' Shows, this is changed, and the morning of circus day a procession winds its way over the business streets of the town that is worth much inconvenience to see, and that is altogether superior to anything of the kind ever organized before. Hundreds of graceful women riders modestly groomed; expert men riders mounted upon blue-blooded and high-stepping equines; scores of open animal domes; groups of oriental minstrels; oddly dressed clowns; soldier types; fairy-land ideals; resplendent musical vehicles; gorgeous tableau floats; students, flower girls, dancers, rough riders, fashionable carts—in fact, this street pageant is the most magnificent and magnified display of circus glories ever brought forward by amusement enterprise. This feature alone costs the management of The Great Adam Forepaugh and Sells Brothers' Shows a million dollars, and is an imposing demonstration of their tremendous resources and determined ambition to make this circus institution the greatest on earth. Two performances will be given here at 2 in the afternoon and 8 in the evening, on Friday, August Fourth.

GUARD AGAINST GERMS

Keep Well by Strengthening the Stomach With MI-O-NA.

In time of war the most responsibility rests upon the guard. If he is lacking in vigilance, disaster can easily overtake the army.

With the individual life, the stomach may well represent the "guard" against sickness. If it is strong and vigilant, any disease germs that may be swallowed will be neutralized by the digestive juices, or else driven from the system.

Everyone with weak digestion should use MI-O-NA at this season and so strengthen the stomach that disease germs can have no effect whatever. This remarkable remedy puts the whole digestive system in so healthy, clean and sweet a state that fermentation of the food cannot exist, that any disease germs which may enter the stomach will be destroyed, and the food will be so readily assimilated that a rapid and healthy increase in flesh will result.

Nervousness and sleeplessness come more often from a weak stomach than from any other cause; headache, backache and rheumatic pains are directly caused by an acid condition of the stomach. MI-O-NA corrects all this, prevents the formation of acids, and nervousness, kidney trouble or rheumatism is quickly cured.

Ask Chas. Rhodes to show you the guarantee under which he sells MI-O-NA. Price 50 cents. It costs nothing unless it cures.
